MESSRS. GRAY & KERR, who are  
well and favorably known, as haulers  
of tobacco, are excelling themselves  
this season. They have prized about  
one hundred hogsheads of strips, and  
have Stewart's large factory full of to-  
bacco as well as their own. They are  
working sixty or seventy hands under  
the superintendence of Mr. J. G.  
Bailey, an experienced tobacco man,  
and will handle some five or six hun-  
dred hogsheads of strips during this  
season. They have the reputation of  
putting up about the best strips in the  
west.

WM. KELLEY, colored, convicted of  
rape upon the person of Mrs. Sarah  
Moore, of Davidson county, some eight  
months since, paid the penalty of his  
crime in the presence of a crowd of about  
five thousand people, at Nashville, on  
Friday last week. He protested his  
innocence of the crime to the very last,  
but professed himself ready and willing  
to die.

Just as the drop fell a horse came  
frightened and dashed through the  
dense crowd, causing a general stampede,  
in which a colored magistrate had his leg  
broken, and several others were injured.

The Baccalaureate sermon to the

Rice, D. D., of Franklin, Tenn., on

class, delivery of diplomas, reading  
of names of students, who have won  
distinctions, etc.

On Thursday night, Rev. B. M.  
Palmer, D. D., L. L. D., of New Or-  
leans, will deliver the address before  
the Literary Societies of the college in  
Franklin Hall.

All these exercises the public are  
cordially invited to attend.

Big Ditch.—Last Wednesday, in  
company with Dr. McCauley, T. H.  
Hyman, Esq., and M. V. Ingram, of  
the Tobacco Leaf, we rode up to the  
Bradley, or Mathis pond, in the river  
bottom about a mile and a half above  
the city. This pond covers about  
thirty acres of the very best soil, which  
has heretofore been rendered almost  
useless by this pond which has usually  
covered it until very late in the  
summer or fall, and which has al-  
ways been considered impossible to  
drain. Mr. Jno. F. Shelton, of this  
city, however, has undertaken the  
draining of it, and from all the indica-  
tions Wednesday evening, we have  
no doubt he will be successful. The  
ditch is about three hundred and  
twenty yards long, nine feet in depth  
at the pond, and twenty-two and a half  
feet at its deepest part, tunnels being  
cut in several places where it is deepest.  
The water was turned in Wednes-  
day evening and caused considerable  
caving in the end of the ditch next to  
the river, but the current was suffi-  
ciently strong to carry off the dirt which  
caved in, and the success of the ditch was  
assured. Mr. Shelton has succeeded in  
his indomitable energy in reclaiming  
a large body of valuable land, and  
accomplished something which was  
considered impossible. Twenty-nine  
train loads will be put down in the ditch  
and the dirt thrown back, and thus mak-  
ing a thorough and permanent drain.

The high rate of wharfrage at our  
wharf is much complained of by boat-  
men. In many cases the freight on  
goods they deliver or take on here are  
sufficient to pay the wharfrage. We  
understand that some of the boats  
have signified their willingness to pay  
the wharf company one-half the  
amount received for small lots of  
freight instead of the regular wharfrage.  
This seems to us to be a fair propo-  
sition from the boats, and a refusal to  
accept it, will probably cause them to  
refuse to carry small lots either to or  
from this place.

The anniversary of the Presbyterian  
Sunday School, known as one of the  
best conducted Sunday Schools in the  
State, was celebrated last Sunday. Ad-  
dresses were made by Rev. J. W.  
Lupton, A. H. Munford and Hon. D.  
N. Kennedy. After the addresses,  
the premiums were distributed, forty  
scholars receiving premiums, and forty-  
eight names being on the roll of honor.  
There has been an increase in scholars  
and teachers since last year.

A large audience was in attendance  
and everything passed off in a very  
pleasant manner.

Col. JOSEPH BLACKBURN, convicted  
of forgery, was, on Wednesday last,  
sentenced by Judge Trigg in the Federal  
Court, to four and a half years at  
hard labor in the penitentiary. He  
was received at the gate of that insti-  
tution by Warden W. Matt. Brown,  
who, for his part, is fairly ejected from  
the majority of this city, when backed  
by his militia, seven years ago. "Thus  
the whirlwind of Time brings in his  
revenge."—Nashville Commercial 11th inst.

The above gentleman, during the  
past, sentenced the publishers of this  
paper to the same institution in which  
he now resides, without the formality  
of a trial, and but for the intervention  
of the Federal General commanding  
would have had the sentence carried  
out.

PREMIUMS PICTURES.—We again  
call attention to the handsome and  
elegant pictures, taken in McCormac's  
best style. These pictures are really  
worth more than the price asked for  
both paper and picture, and it is only  
by special arrangement that we are  
enabled to offer them at this exceedingly  
low figure—\$4.00 for the paper one  
year and the picture. We do not know  
that we can run our contract with  
Mr. McCormac after this year, so all  
who desire to avail themselves of our  
offer should do so at once. See adver-  
tisement on fourth page for offers to  
getters up of clubs.

THE schedule of the trains on this  
road was changed last Sunday. Train  
No. 4, freight and passenger, going  
north, leaves here at 9:05 A. M. Train  
No. 2, 12:30 A. M. Going south, Train  
No. 1, freight and passenger, arrives  
at 8:35 P. M. Train No. 3, 4:25 A. M.  
Trains Nos. 1 and 4 go no farther south  
than this place. Nos. 2 and 3 are  
through trains.

A two dollar Bank of Tennessee  
has found its way into the office of  
the County Clerk yesterday, bearing this  
endorsement: "The last bill I have,  
John Brown, Clarksville, Tenn., May  
24, 1874."—Union and American.

It seems to us "we have heard this  
name before." Who is he, and what  
became of him after that bill was  
gone?

We publish to-day a call on W. S.  
Mallory, Esq., to become a candidate  
to represent this county in the State  
Legislature. Squire M. is one of the  
best magistrates of our county and a  
man of ability, and should be accept  
the call and be elected, he will faith-  
fully serve the interests of his constitu-  
ents.

The General Assembly of the Cum-  
berland Presbyterian Church of the  
United States will hold its annual  
meeting this year at Springfield, Mo.,  
in the latter part of this month.

The name of Mr. H. M. Atkins was  
unintentionally omitted in our report  
of the M. E. Sunday School anniver-  
sary last week. Mr. Atkins presented  
the premiums to Richard Caldwell and  
Lee Pickering.

The residence of N. F. Hood, just  
beyond the eastern line of a small  
portion of the furniture was saved.  
Insurance on house, \$1,000; on furni-  
ture, \$500.

Quite an interesting race occurred  
between the Silver Spring, Capt. Seawell,  
and the Matt. Gracy, Capt. Scary,  
last Monday, from Trice's Land-  
ing to this place, the Silver Spring  
winning the race.

## The Plow Factory.

The enterprising firm who are running this  
establishment have their foundry in  
operation, and are now making both  
the iron and wood work of their plows,  
harrow, etc., under the same roof.  
They are making one, two and three  
horse plows, double shovels, jumping  
colters, and two horse harrows, etc.,  
all of which are made of the very best  
material and put up in the most sub-  
stantial manner, and their implements  
never fail to give satisfaction.

As the spring trade is now almost  
over, they will not put together any  
more plows at present; but will put in  
all their time in getting out timbers,  
fitting everything up, and stowing  
away, so that when the demand in-  
creases in the fall and spring they will  
be able to put them together fast  
enough to supply the whole country.  
This enterprise deserves, and is receiving,  
the patronage of the entire com-  
munity.

A LODGE of Good Templars was in-  
stituted at St. Bethlehem last Sunday  
by W. M. Long, County Deputy. The

field, W. M.; F. Atkins, L. G. J.; T.

OLD FOLKS' CONCERT.—The good  
people of the Mt. Carmel neighbor-  
hood, in this county, are making ar-  
rangements to have an "Old Folks'  
Concert" at Mt. Carmel Church, on the  
19th or 20th of June, for the  
benefit of the Sunday School at that  
place. Several who were engaged in  
the concert here, have consented to  
assist them, and the occasion will be  
one of enjoyment to all.

DEMOS COMPROMISE.—This wash for  
the destruction of borers and all in-  
sects on fruit trees has been exten-  
sively used throughout the west and is  
highly recommended by all who have  
tried it. The time is now here for its  
use, and all who have fruit trees should  
procure the recipe. Price of recipe  
and farm right, \$3.00. Apply to J. S.  
Neblett, at this office.

THE UNIVERSITY.—Rev. J. B.  
Shearer, Col. J. F. House, Hon. D.  
N. Kennedy, Col. J. E. Bailey, Gen.  
W. A. Quarles, Rev. J. W. Lupton,  
Hon. G. A. Henry, Col. R. W. Hum-  
phreys and H. M. Doak, Esq., left on  
Wednesday morning for Memphis,  
to attend the meeting of the com-  
mittee which will locate the South-western  
University. The probabilities are that  
Clarksville will secure the location.

OWING to repairs being made on the  
M. E. church, South Clarksville, there  
will be no services there to-morrow.  
On and after Sunday week regular  
services will be held as usual. A com-  
mittee of ladies from South Clarksville  
raised the funds necessary to make  
the much needed repairs on this house  
of worship.

WE neglected last week to call  
the attention of builders to the adver-  
tisement of the committee of Woodlawn  
N. Kennedy, for bids for the erection of a  
Grange Hall over Woodlawn church in  
this county. The advertisement will  
be found in another column in this  
issue.

OUR old friend, Mattill, has a nice  
Ice Cream Saloon now open over his  
confectionery, where he is prepared to  
furnish the very best ice cream, and  
his Soda Fountain down stairs is in full  
operation, where the thirsty public can  
be supplied with this refreshing bever-  
age.

INDICATIONS at present are that not  
more than two-thirds, and possibly not  
more than one-half a crop of tobacco  
will be planted this year. News from  
all parts of the country represent that  
the plants are very much injured by  
the wet weather and the fly.

GOVERNOR BROWN, in a commu-  
nication addressed to the directors of  
the West Tennessee insane asylum, de-  
clined to approve the selection of the  
site near Humboldt. Drs. Callender,  
Cheatham and Jones reported unani-  
mously against the site.

THE committee to raise funds for the  
erection of a new Methodist church in  
New Providence, visited our city this  
week and succeeded in raising a con-  
siderable sum. It is probable that the  
building will be commenced during  
this summer or next fall.

GRAND COMMANDERY.—Rev. A. D.  
Sears, S. A. Caldwell, Esq., and Mr.  
John Kerr, left Wednesday morning  
to attend the meeting of the Grand  
Commandery of Knights Templar,  
which convened in Jackson Thursday  
last.

THE State Convention of the Inde-  
pendent Order of Good Templars will  
be held in Chattanooga on the 19th  
inst.

There have been seventy-one Lodges  
of this order instituted in this State  
since last October.

corps of officers.

berland Presbyterian Church of the  
United States will hold its annual

## YOUNG AMERICA.

We were amused  
a few days since, at the quick and origi-  
nal repartee of a small chap, aged  
about seven years. While passing the  
popular store of the Bloch Bros., of  
our city—said chap was seated on a  
horse sty opposite the store, holding  
by the bridle a small pony, while one  
of the salesman, our venerable bache-  
lor friend, Mr. S., was teasing the  
boy by speaking disparagingly of his pony.  
Among other remarks, he declared the  
pony was "unsound—hence worthless,  
and all of which the boy declared  
at this juncture, one of our oldest city  
physicians was passing, when Mr. S.,  
being apparently determined to have  
the last say at the boy, appealed to the  
Doctor to sustain his opinion. Said  
urchin became all attention, and was  
courteous and silent during the time  
the Doctor was summing up the  
points in the case and rendering a  
final judgment, confirming Mr. S.'s pre-  
vious judgment of the worthlessness  
of the pony.

Mr. S. exultingly exclaimed, "I told  
you so."

Small boy at a bound was astride his  
pony; "with an 'umph,'" he remarked,  
"He dunno; he's a personal Doctor.  
He dunno nothing 'bout horses" and  
galloped off, leaving Mr. S. and the  
Doctor for the boys to play with.

MESSRS. JACKSON & BELLORE  
are doing one of the handsomest and  
best jobs of plastering we ever saw, at  
the new house of O. Keesee, on Mad-  
ison street. The entire job is one which  
would reflect credit upon any plaster-  
ers anywhere. The fact is Clarksville  
mechanics of every kind are  
hard to beat, and no city can boast of  
better plasterers.

ACCIDENT.—The omnibus, loaded  
with passengers from the 8:35 train  
Thursday night, was upset on the hill  
near the depot and one of the passen-  
gers, Mr. Bryce Thompson, of Nash-  
ville, had an arm slightly bruised.

FIRE TOBACCO.—On Thursday last  
Harrison & Shelby sold a hoghead of  
fire leaf at \$14 25 and one of lugs at  
\$7 50, both raised by Jacob Albright,  
of MeAdoo, this county.

be published under the name of the  
Jackson Courier-Herald. We wish  
the new journal unbounded success.

OUR senior local, Mr. Grant, is  
suffering sometime in the country for  
the benefit of his health. He has  
been afflicted for some time with ver-  
tigo. We hope his visit to the coun-  
try may prove beneficial, and restore  
him to health.

THE Courts have all adjourned, and  
our country friends who desire to set-  
tle up their little accounts with us can  
come in and do so without any fear  
of being caught on the jury.

LIGON & ELY have opened their Ice  
Cream Saloon and have their Soda  
Fountain up, and can furnish the public  
with ice cream and soda water of the

IN MEMORIAM.  
Died, in this city, on the 25th of April, of  
consumption, MAGGIE LILLIAN, wife of  
James Beverly, and daughter of S. and M.  
Kellogg, Age 3.  
Maggie's life was a short career. Two  
weeks previous to her death she gave her  
heart to God, realizing that great truth,  
"It is better to die than to be born."  
Before death claimed its victim she looked  
forward with perfect faith to her home  
in heaven, and while the minister was doing  
work she would exhort her friends to meet  
her in heaven.

Her last days were those of intense  
suffering, yet she bore them with such  
Christian grace and sweet submission. In fact  
her life was the greatest Christian triumph  
I have ever witnessed. She would often re-  
mark to her father, "What do you think of  
me? Am I not most gone?" He would  
answer "Daughter, you will soon leave us."  
"Yes, I will soon be home with sister, and  
you and me will come soon, and how hap-  
py we will be."

Her death has thrown a gloom over the  
hearts of the family, and caused a void  
which time alone can fill; yet they grieve  
not without hope, and are looking forward  
to re-unite with Maggie in that beau-  
tiful home above. We gently laid her body  
to rest in our beautiful cemetery with the  
fond hopes of seeing her again.

May heaven's blessings rest upon the  
grief-stricken family, and may her husband  
be enabled to bring his little Clarence up  
to love the Lord and meet his sainted  
mother in heaven. Farewell, friend of  
my childhood, we hope to meet you when  
partings are not known.

"Yes, in the Paradise above,  
Then I shall greet thee, angel one,  
The departed babe on his bright shore  
Will gather there to part no more."

His parents died, his soul to know  
"God's good will in his story and shine,  
That child found a threatening foe,  
Who found a Father's love."

Sister, I used to bid farewell  
To you so good and gentle,  
But one kind and pure soul,  
And surely find a place in heaven.

To him she loved so well, we'll say,  
The fondest hearts are sometimes true,  
That they find friends in heaven's  
And meet their darling wife in heaven.

A FRIEND.

Buy the Engineer Collar. It is the  
best Collar ever made for summer use,  
having passed through a paraffine pro-  
cess. Call and examine them. This  
is the only place you can procure the  
genuine article.

CLARKSVILLE TOBACCO MARKET.  
Notwithstanding our receipts con-  
tinue to fall off, our warehouses are  
full, some of them double-stacked with  
long runs out on the streets. The de-  
crease in receipts is attributable in a  
great measure to the very fine farming  
weather, suitable for our door opera-  
tions. Since our last report our  
sales have been large, with a very fev-  
erish market, and an advance on all  
grades, particularly on low and medium  
leaf.

We now quote an advance of full 1c  
on leaf, and 1 to 1c on lugs. We are  
sorry we are unable to give a reason  
for this advance.
